

The Right Connection®

Reelcraft® Static Discharge Reels

The spring driven Series G 3000 is designed to ground equipment operating in hazardous atmospheres.

Applications:

Used to ground equipment in hazardous atmospheres, such as fuel trucks or carts transferring flammable materials. When properly clamped to ground, the static discharge reel dissipates static electrical buildup, reduces chances of sparking and the potential for explosion.

Features:

- supplied with a 3/32" OD steel aircraft cable
- DC resistance is approximately one ohm per 50' of steel cable

Part #	Description
G3050	single 7 x 7 stranded steel
