

Holedall572 - 593

- Coupling machines 572
- Recommended working pressures 573
- External swage 574 - 579
 - Stems 575 - 576
 - Flange assemblies 576
 - Female ends 577
 - Uni-range male couplings 577
 - Ferrules 578 - 579
 - High pressure couplings 579
- Internal expansion 580 - 581
 - Stems 580 - 581
 - Ferrules 581
- Holedall Petroleum style 582 - 583
 - Couplings 582
 - Ferrules 583
- API Certified Holedall Petroleum attached 584 - 585
 - Couplings 584
 - Ferrules 585
- Washers 586
- HB coupling expander machine 586
- Pump hose couplings 586
- Dubl-Grip field attachable couplings 587
- CIP internal expansion sanitary style 588
- Sanitary style 588 - 590
 - Stems 588 - 589
 - Threaded hex nuts 589
 - Flow Chief ferrules 590
- Sanitary King Crimp® stems 591
- DIN external crimp stems 591
- Dixon® Sanitary crimp stems 592
- Dixon® Sanitary crimp ferrules 593
