

Dixon's 3" Fuel Delivery Elbow

Material:

- Bushing: acetal

Features:

- Grease nipple enables greasing of the lever stem
- Acetal bushing ensure smooth movement even in the harshest of conditions
- Bolt on inlets allow the inlet to be changed without galling of the threaded inlet
- Handle lever enables the operator to easily and positively engage the solid bronze locking arms on to the underground adapter

Specification:

- Biofuel compatible up to E100 (100% Ethanol) and B20 (20% Bio Diesel)
