

Water-Steam Washdown Station

Application

· Fail-safe mixing station safely blends steam and cold water for hot water on demand. Should cold water fail, the steam is instantly shut-off

Features

- · Globe style control valves
- · Dial thermometer
- · In-line check valves
- 3/4" inlet and outlet
- · Mounting plate and hardware for wall mounting

· Stainless steel hose rack

Specifications

- Maximum operating pressure: 150 PSI
- Maximum temperature: 200°F (93°C)
