Whip Hose Assembly

New

Applications
- Designed to be threaded into a pneumatic tool to better handle the impact and vibration often associated with air drills, pavement breakers, and other related applications

Size
- Length: 6′

Features
- The whip hose should stay with the air tool, like a power cord stays with an appliance
- Use with Dixon King Cable® on each end connecting the whip hose to the supply hose and tool

Material
- Hose: rubber

Specifications
- Working pressure: 150 PSI
- Temperature rating: **-4°F to 212°F (-20°C to 100°C)**
